Comments: Please use this section to explain / clarify any line item.

Student compensation - to ensure vested interest, student wellness ambassadors will be given a stipend for their participation based on 20hrs of work at $10 per hour; Accelerometers - Dr Howie currently has 30 Actigraph accelerometers to measure physical activity and sleep. However, to collect sufficient data in a timely fashion on approximately 200 students, the project will need approximately 20 more ($250 per accelerometer). Wellness Team Fund - the specific strategies will not be identified until the needs assessment has been collected and the Wellness Team can decide and plan on appropriate initiaites, these funds may be used for wellness apps, wearable technology, education sessions, etc.
