3. Provide visual descriptions.

Syeda Anjum

NO

Can you commission an artist to create a replica of the museum object?

Syeda Anjum

YES

Commission an artist to create a replica of the museum object that is scaled to fit in the visitor's hands. Provide visual description.

Syeda Anjum

NO

Does an accurate reproduction of the museum object already exist?

Syeda Anjum

YES

Does the museum object have to convey important processes related to its usage or creation?

Syeda Anjum

YES

1. Acquire a reproduction of the museum object that is scaled to fit in the visitor's hands.
2. Provide a simple model that describes important processes related to the object.
3. Provide visual descriptions.

Syeda Anjum

NO

Acquire a reproduction of the museum object that is scaled to fit in the visitor's hands. Provide visual description.

Syeda Anjum

NO

Does the museum object have to convey important processes related to its usage or creation?

Syeda Anjum

YES

1. 3D print a reproduction of the museum object that is scaled to fit in the visitor's hands.
2. Provide a simple model that describes important processes related to the object.

Syeda Anjum

NO

3D print a reproduction of the museum object that is scaled to fit in the visitor's hand(s).

Syeda Anjum

NO

Can the visitor touch the museum object directly?

Syeda Anjum

YES

Does the museum object fit in the visitor's hands?

Syeda Anjum

YES

Is it important for the visitor to understand the layout of the artifact?

Syeda Anjum

YES

1. Allow the visitor to touch the object directly. Provide gloves and/or supervision if needed.
2. Produce a tactile graphic with visual description.
3. Provide visual descriptions.

Syeda Anjum

NO

Allow the visitor to touch the object directly. Provide gloves and/or supervision if needed. Provide visual description.

Syeda Anjum

NO

1. Allow the visitor to touch the object directly. Provide gloves and/or supervision if needed.
2. Produce a tactile graphic that is scaled to fit in the visitor's hands.
3. Must provide visual descriptions.

Syeda Anjum

NO

Is it important for the visitor to understand the layout of the artifact?

Syeda Anjum

YES

Produce a tactile graphic that fits in the visitor's hands. Provide visual description.

Syeda Anjum

NO

Provide visual description.
