TERPS RACING
ELECTRIC VEHICLE
Help Us Build the Future
Terps Racing Electric Vehicle is a student-run team that provides students with the opportunity to gain hands-on experience in designing and building an electric formula-style race car. Each year, our team of over 50 students collaborates to create a vehicle from scratch, preparing it for the FSAE competition where we compete with teams from across the continent. Our diverse team, composed of students from various engineering and other disciplines, engages in tasks ranging from designing and welding our chassis to assembling our customized battery pack.

Members of Terps Racing EV are highly sought-after by top companies upon graduation, having secured positions with renowned organizations such as Tesla, Ford, General Motors, Boeing, SpaceX, and NASA.

As a sponsor, you'll play a pivotal role in fostering students' growth as both engineers and leaders. Furthermore, your sponsorship will grant you direct access to recruit exceptional talent among our top-level students.

How You Can Contribute

**Material**
- You can support us by providing material for essential components needed to build and race the car.

**Manufacturing**
- Some things just can't be done on our college campus. You can help us with machining/tooling for some of the more complicated components.

**General Support**
- You can also help us in other ways, including other services or monetary donations.
To learn more about how you can support the Terps Racing EV team at Maryland, contact:

**Ron Coleman** – Director of External Relations, Department of Electrical & Computer Engineering

roncole@umd.edu | 301-405-4471

You are not limited to the packages above; other forms of sponsorship are also accepted. For any questions, email us at terpsracingev@gmail.com

Gifts in support of the University of Maryland are accepted and managed by University of Maryland College Park Foundation, Inc., an affiliated 501 (c)(3) organization authorized by the Board of Regents. Contributions to the University of Maryland are tax deductible as allowed by law. Please see a tax advisor for details. Checks can be made out to “U of Md. College Park Foundation” or “UMCPF.”
