Gayogohó:nq' Land Acknowledgement

Cornell University is located on the traditional homelands of the Gayogohó:nq' (the Cayuga Nation). The Gayogohó:nq' are members of the Haudenosaunee Confederacy, an alliance of six sovereign Nations with a historic and contemporary presence on this land. The Confederacy precedes the establishment of Cornell University, New York state, and the United States of America. We acknowledge the painful history of Gayogohó:nq' dispossession and honor the ongoing connection of Gayogohó:nq' people, past and present, to these lands and waters.

This land acknowledgment has been reviewed and approved by the traditional Gayogohó:nq' leadership.

• **Resolution 70** Report and Recommendations of the Faculty Senate Committee to review faculty governance. (March 14, 2007)

• **Resolution 87** Protocols to Ensure Faculty Governance (February 9, 2011)

• **Resolution 107** Shared Governance in Matters of Educational Policy as Required by Article 13. (April 8, 2015)

Prior to the Faculty Senate Meeting

• Before each Senate meeting, the University Faculty Committee (UFC) meets to discuss and set the Senate meeting agenda.

• The Friday before each Senate meeting the tentative agenda is posted on the DoF website and mailed to the Senators.
  • Comments relevant to the meeting can be posted on the agenda page.

• Senators are requested to contact the Dean of Faculty about any motions that they intend to advance at the meeting.
  • This is to insure maximum use of faculty time.

• After the tentative agenda is posted it is typically modified to produce the final agenda circulated to the entire faculty in the Office of the Dean of Faculty Monday Message.
During the Meeting

• Any member of the faculty is welcome to attend a Senate meeting and speak.
• Anyone outside of the faculty or guest of the faculty interested in attending a Faculty Senate meeting (either in person or via zoom) should register their attendance to the Office of the Dean of Faculty hours prior to the meeting.
• Members are strongly encouraged to send all proposed amendments to the DoF office 24 hours prior to the meeting.
• Because of quorum, attendance needs to be taken. Physical sign-up sheets are available at the in-person meeting and zoom attendees must indicate their attendance in chat.
  • Fifty percent attendance is required for quorum.
During the Meeting

• There is a speaker who oversees the execution of the agenda. Currently the speaker is Jonathan Ochshorn.
  • The Speaker may select one or more Parliamentarians to advise him or her on questions of parliamentary law and procedure arising in the course of Faculty Senate meetings.
  • An effort is made to follow Roberts Rules. Here is a simplified version, Peter Stein’s version, and a more detailed version.
  • Non-substantive (i.e., stylistic, grammatical, or clarifying) amendments may be freely introduced at a meeting without prior circulation.
  • The speaker will rule substantive amendments out of order, but the speaker’s ruling can be reversed by majority vote of the body.
During the Meeting

• Members may also move to postpone action to the next meeting if they believe a new approach deserves more timely consideration.

• The order of business of every meeting will include a brief “Good of the Order” section at the end of the meeting, where remarks (but not motions) on any subject of interest to the faculty will be in order.
  • Faculty members must inform the Speaker of their intention to address the Senate prior to the start of the meeting.
  • In the absence of prospective speakers, the Speaker will re-allocate the reserved time to other agenda items.

• At the discretion of the Dean of Faculty, a Senate roll call vote can be initiated at any time during a meeting.

• For the legislation or action to take effect, ballots submitted electronically over a period of one week and the number of votes cast must be at or above the level of quorum.
After the Meeting

• Fridays after the Senate meeting, a meeting synopsis is emailed the Senators to share with their department/unit faculty.

• Senators and others who did not get a chance to speak can post their comments publicly on the meeting webpage.

• A week or so after the Senate meeting, a tentative transcript is posted in the transcript archive where it can be reviewed for accuracy. It is the Zoom transcript.

• Any resolution that passes a vote of the Senate, typically done via a Qualtrics survey after the meeting, becomes part of the resolution archive.

• Pending legislation is posted here.

• After the tentative transcript/minutes are approved at a subsequent Senate meeting, the posted transcript in the transcript archive becomes “final.”
Placing a Motion

To place a motion on the agenda of a Faculty Senate meeting, it must be endorsed in one of the following ways:

• By a Faculty Committee
• By the University Faculty Committee (UFC) (on its own initiative or in response to a request by a Faculty Senate member)
• By any 4 Faculty Senators
• By any 25 members of the Faculty

Upon the recommendation of the UFC, motions that are for consideration are posted on the pending matters webpage at least one week in advance of the meeting.

It is possible to propose a motion during a Faculty Senate meeting.

The vote on a particular resolution never takes place during the meeting at which the resolution is actually presented. This rule also applies to Sense-of-the-Senate resolutions.
Meeting Dates

Meeting dates are subject to change.

All meetings are 3:30-5:00 pm and held in Schwartz Auditorium, Rockefeller Hall.

Zoom will be available; Faculty Senators will receive the zoom link to disseminate to faculty (or non-faculty guests with permission from the Office of the Dean of Faculty)
