WORK EXPERIENCE

Instructor

2022-2023

Mathnasium

- Conducted engaging and interactive math tutoring sessions for Kindergarten to College students, helping them build a strong foundation in various mathematical concepts.
- Designed and implemented instructional materials and activities that catered to different learning levels and abilities, fostering a supportive and inclusive learning environment.
- Utilized Mathnasium's curriculum and teaching methods to effectively explain complex math topics, enabling students to grasp concepts and improve their problem-solving skills.
- Collaborated with parents and guardians, providing regular updates on students' performance, strengths, and areas for growth and discussing strategies for maximizing their learning experience.
- Employed positive reinforcement techniques and motivational strategies to boost students' confidence and enthusiasm for math, contributing to improved attitudes toward the subject.
- Supported students completing homework assignments and preparing for tests, offering guidance on effective study techniques and time management skills.
- Maintained a well-organized learning center, managing student schedules, tracking attendance, and ensuring a safe and conducive learning environment.
- Participated in regular training sessions and professional development opportunities offered by Mathnasium, staying up-to-date with the latest teaching methods and educational trends.
- Demonstrated exceptional communication skills, conveying complex math concepts in an understandable and relatable manner while listening attentively to students' questions and concerns.

Nursery Childcare Worker

2021-2023

A&M United Methodist Church

- Provided attentive and nurturing care for infants and toddlers aged six months to 6 years during Sunday morning church services, ensuring their safety and well-being at all times.
 - Created a warm and welcoming environment where children felt comfortable and secure, helping them transition smoothly from their parents/guardians to the nursery.
 - Collaborated with a team of childcare workers to maintain a clean and organized nursery space, sanitizing toys and surfaces to promote a healthy and hygienic atmosphere.
 - Interacted with children through age-appropriate play, storytelling, and creative activities, fostering their cognitive, social, and emotional development.
 - Attentively addressed each child's individual needs, including feeding, diapering, and following any specific care instructions provided by parents/guardians.
 - Communicated effectively with parents/guardians, providing updates on their children's activities and behavior during their time in the nursery and addressing any concerns or questions they may have had.
 - Supported children in short educational and age-appropriate activities aligned with the church's values and teachings, fostering a sense of community and spiritual growth.
 - Managed behavioral challenges among the children, using positive discipline techniques to encourage cooperation and respectful behavior.
 - Attended regular training sessions and meetings organized by the church to stay informed about child development best practices, safety guidelines, and updates related to the nursery program.
