

Why Should You Attend?

REDUCE THE COST OF MAINTENANCE!

IMPROVE FIELD SAFETY!

Improperly managed sports fields are known to have caused injuries to student athletes, including concussions, broken bones, and sprains.

What will you learn?

- Ways to reduce field-caused sports injuries
- Solutions to turf maintenance problems specifically for your field
- Warm-season turf fields maintenance and renovation
- Cool-season turf fields maintenance and renovation
- Soil management makes all the difference
- Calculating quantities of materials
- Finding actual costs of maintenance
- Creating funding justifications
- Budgeting for field expenses
