Friday, October 14, 2016

“Boost Your Leadership IQ: How to Successfully Transition from a Technical Contributor to a High Performing Leader”

Featuring

Mark Hordes

Managing Director, Senior Consultant, Mark Hordes Management Consultants, LLC

The war for Leadership top talent still rages across all industry sectors despite falling energy prices, but the question remains: How do “technical contributors” from Engineering & Construction companies make a successful transition to become great leaders? Learn the **critical success factors** and “**must-know**” **essential skills** to enable you to become *a high performing leader*.
