

## **NILI Summer Institute 2012 Scholarship Application**

It is time to begin the scholarship process for NILI 2012! As in years past, limited tuition scholarships are available for the NILI 2012 Summer Institute. Scholarships are for partial tuition for the two-week Summer Institute *only* and does not cover housing, meals, or parking (if applicable), nor the third-week of Teaching Practicum.

Scholarship funds are targeted towards those who could not attend the Institute without support. If you are employed as a teacher or at a language program or school district, you must first seek funding from your program. We encourage all those in need of financial assistance to seek funding from other sources as well. NILI received generous support last year and we were able to give at least some funding to several people who applied. This year we will be challenged to do so.

The due date for Scholarship Application submission is **March 31, 2012**. Please apply early because we won't be able to extend the deadline.

I am aware that this individual is applying for a scholarship to attend the NILI Summer Institute. I understand that these are partial tuition scholarships. I certify that our program does not have funds to provide full tuition (\$1,650 for Summer Institute 2012) and room and board (approximately \$612 - \$756). I agree to assist the applicant to secure additional funding to meet the full costs of the institute.
