†Approved Courses: *Equity & Diversity and Professional Depth Requirements*

Students in FHS must take a minimum of 10 credits based on the criteria below. Approved courses are each 4 credits *unless specified otherwise*. Prerequisites are also listed. All courses used in these requirements must be taken “graded” unless the only option for them is “P/NP”.

The listed courses are “possible” classes for students to consider taking. Speak with a COE Advisor for discussion and suggestions to meet this requirement.

Students with unique and unusual circumstances may request to substitute one equivalent course for a course listed below. If this request is for a course already completed, students must meet with an FHS Academic Advisor to determine if the substitution is allowable. If you have not yet taken the course, prior to enrolling in the course, students must complete the *COE Petition to Waiver Form* and the *FHS Course Substitution Form* (available from the FHS website) and submit it to an FHS Academic Advisor for review.
