Practicum

We are excited to restart the practicum program this spring 2024. This long-standing program offers an opportunity for students to gain credit while receiving practical experience in an architecture firm. Students will have the chance to network, actively learn, gain experience, and receive a sneak peek of firm life.

**NOTE:** Practicum appointments are unpaid, but you will receive academic credit.

**Who can register:** open to architecture and interior architecture students in Eugene  
**Prerequisite:** completion of 2nd year undergrad and 1st year grad  
**Credits available:** 3 or 4 (3 credits = 8 hours in office, 4 credits = 11 hours)

**The Fine Print:**  
In the first week of school, we will meet as a class. In this session, we will review:
- Term expectations for students and firms
- Information related to assessment
- You will receive your placement for the term.

At your firm, you will be assigned a supervisor/mentor. You will be interviewed at your firm. Additional details to follow.

- Students registered for 3 credits will report to your firm for 8 hours a week
- Students registered for 4 credits will report to your firm for 11 hours a week
(On a case-by-case basis, the number of credit hours may be reduced to fit your schedule.)

**To Sign up:**
To express your interest, reply to this email with your Name, degree-seeking, undergrad or grad, and Year in school, and in a couple of sentences describe your knowledge/use of Revit and other computer skills. In a follow-up email, send your resume and 1-2 work examples.
