O Lord my God, to thee I do aspire (Bodleian)

[fol. 95v] O Lord my God, to thee I do aspire,  
And only thee in soul I do desire;  
No gift or grace, how great s'e'er<sup>1</sup> it be,  
Can satiate<sup>2</sup> her, who nothing seeks but thee.

---

<sup>1</sup> Soever.

<sup>2</sup> Satisfy.
