DBSAA is proud to announce our new website! Now students and alumni can stay up to date on everything regarding the organization. You can find links to upcoming events, the alumni directory, and other campus resources on the site. You can also find information about our executive committee and advisory board.

The creation of this website will help support Black student-athletes and improve our relationship with you, the alumni. [Link to the website.](#)

Upcoming Events

January 17

With Dartmouth limiting fan attendance at home events, we have had to adjust our MLK day festivities. Please be on the lookout for a video from Dartmouth athletics and the DBSAA on our commitment to tackle issues involving social justice.

February 6

The DBSAA will host a Black Legacy Month Field Day in collaboration with the Centers Forum, Dartmouth Athletics, and OPAL. The purpose of this event is to provide a space that allows Black students, faculty, and staff to get to know one another outside of the classroom and de-stress.
