

SACNAS JANUARY 2023 NEWSLETTER

National Liaison Position

The SACNAS Exec. Committee is looking to fill the National Liaison position. If you are interested please forward an email to SACNAS@dartmouth.edu

Welcome back everyone!
So excited to be back at Dartmouth and so excited for the upcoming SACNAS events!

Check out this new article featuring stories from SACNAS members and their experiences here at Dartmouth: Widening Doorways to STEM Education Guarini is making strides in recruiting and supporting underrepresented students.

SACNAS: Mapping Our Roots

We want to create a map for our SACNAS website in which we pin the hometown and/or country from which our members are from. This is a great way to learn about everyone's origins and possibly help create connections to people from your same state, city or even country.

Job Listing: New Hampshire Academy of Science

- Senior Scientist in Cell Biology or Molecular Biology
- Associate Scientist in Physical Sciences
