SACNAS: Mapping Our Roots
We want to create a map for our SACNAS website in which we pin the hometown and/or country from which our members are from. This is a great way to learn about everyone's origins and possibly help create connections to people from your same state, city or even country.

Do you have an idea of someone you would like to see at our next "Proof is in the Pudding" Seminar? submit your ideas here!!

Cast your nominate for the 2023-'24 SACNAS executive board. Full details nomination bylaws and description of each position is provided on the google form. Click Here!
Asian American and Pacific Islander Heritage Month (AAPI Heritage Month) is an annual celebration that recognizes the historical and cultural contributions of individuals and groups of Asian and Pacific Islander descent to the United States. The AAPI umbrella term includes cultures from the entire Asian continent—including East, Southeast and South Asia—and the Pacific Islands of Melanesia, Micronesia and Polynesia.
