So how do we get there?

New Hampshire State Injury Prevention Plan 2014 – 2018

NH Injury Prevention Advisory Council No or Section 1975 (1975) Continuous Provider 2013 (1975) Communication Communication

shared measurement

NEW HAMPSHIRE COMPREHENSIVE CANCER CONTROL PLAN

disease as complicated and far-reaching as cancer, one person, ne team, or even one organization cannot hold all the answers.

But together, our potential is boundless.

The New Hampshire Comprehensive Cancer Collaboration brings together knowledge and resources to address cancer statewide.

backbone support

Implementation Strategies

- Raise Awareness
- Engage current and new partners
- Monitor activities and evaluate outcomes
- Align policies, plans, priorities and resources

Isolated Impact Collective Impact

Thank you and enjoy the meeting!
