The screenshot shows the Georgia Tech login interface. At the top, there is a navigation bar with the Georgia Tech logo, the text 'Registered Semester: Spring 2020', and a user profile icon labeled 'Import'. Below this is a blue navigation menu with options: 'Projects', 'Groups', 'Bids', 'My Profile', and 'Prior Semesters'. The main content area is titled 'Import Test1' and contains a 'Contact Information' section. This section includes a form with the following fields: 'Login Name' (it1), 'GT Username' (it1), '* Email Address' (586gwiz+t1@gmail.com), 'Phone' (empty), '* First Name' (Import), 'Middle Name' (Test1), '* Last Name' (Test1), 'Major' (ME), 'Section (Student)' (-- Please select --), '* Shirt Size' (-- Please select --), and '* Hometown' (empty). Below the contact information is a 'Skills and Experience' section with a 'Skills' dropdown menu (set to '-- Please select --') and a large text area for 'Experience'.

Profile

- Returning students can edit this information using the “My Profile” tab.

The screenshot shows the Georgia Tech 'My Profile' page for a user named 'Import Test1'. The page is titled 'Registered Semester: Spring 2020'. The navigation bar includes 'Projects', 'Groups', 'Bids', 'My Profile' (highlighted with a red circle), and 'Prior Semesters'. The user's profile information is displayed under the heading 'Contact Information'. The fields are as follows:

Login Name	it1
GT Username	it1
* Email Address	<input type="text" value="586gwiz+t1@gmail.com"/>
Phone	<input type="text"/>
	Format: (###)###-####

Viewing a Project

- Click on a project to see who all have expressed interest work on the project.
- If you choose to add more information as to why you are interested, double click the white space next to your name.
- You may click on the student name to view their email and skills (if they have entered any)

The screenshot shows the Georgia Tech project management interface. At the top, there is a navigation bar with 'Registered Semester: Summer 2020' and 'Import' options. Below this, there are tabs for 'Projects', 'Groups', 'Bids', 'My Profile', and 'Prior Semesters'. The main content area is titled 'Project: asdfa (Spring 2020: GT4823 (T Studios))' and includes a 'Project Info' tab. The project details are as follows:

- Project: asdfa (Spring 2020: GT4823 (T Studios))
- Submitted By: Student 3 Test (Student)
- Created At: 04/21/2020, 8:23 AM
- Workflow Status: Assigned
- Group: 123455

Below the details, there is an 'Overview' section with 'Required Schools: ME' and 'Suggested Schools: ECE'. The 'Number of Bids' is 1. An 'Interest' section shows a table of student interest:

Student	Major	Interest (Double-Click to Edit)
Student 2 Test	ME	
Student 4 Test	ID	
Grand Total: 2		

At the bottom, there is a 'Details' section with the following information:

- Project Description
- NDA Required
- Interest in IP Assignment
- Background / Need: asdf
- Concept: asdfa
- Design Considerations: asdfasdf

Groups

- You may create a group (one person group is also possible), join an existing group or add members to your group using GT username
- If you have pending invitations or requests, they will appear in a list above the Groups section
- You may also view the bids submitted by other groups/teams by clicking on the “Bids” tab on the top bar of the site

Projects (after joining a team)

- After you join a team, you will be able to see only those projects which are relevant to the major associated with your course/section.
- For example, if you are registered for ME4182, you will only see projects that need MEs

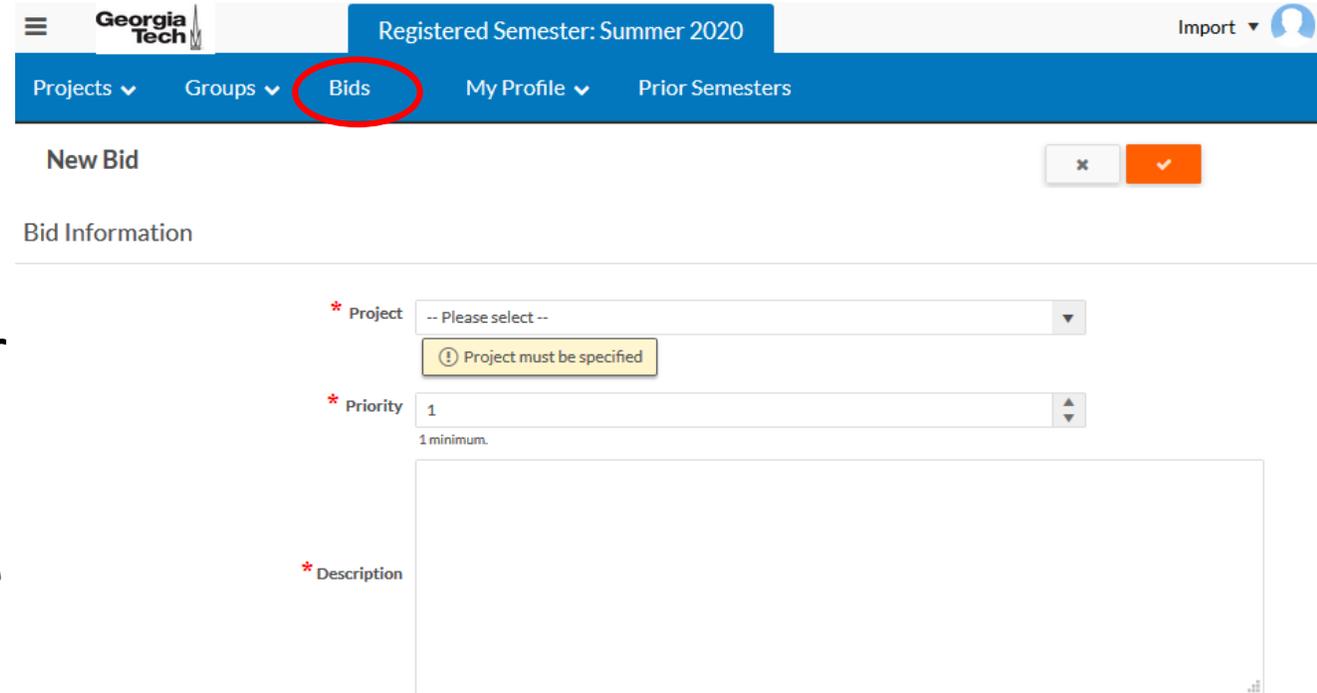

The screenshot shows the Georgia Tech Projects interface. The top navigation bar includes 'Georgia Tech' and 'Registered Semester: Summer 2020'. The 'Projects' menu item is highlighted with a red circle. Below the navigation, the page title is 'Projects' and there is a 'Detailed Search' dropdown. The main content area shows a filter for 'Accepted Projects' and a '+ Project' button. A table displays one project with the following details:

Project ↑	Semester	Group	Submitted By	Required Scho...	Suggested Scho...	Bi...	Intere...	Workflow Actio...
