

The Todd Family Fund EMS Scholarship Opportunity

The Todd Family Fund is committed to supporting Georgia Tech Students on the healthcare track. Currently, the scholarship opportunities available for individuals who meet the required qualifications for the Grady EMS Academy training program for EMTs and AEMTs. The scholarships will cover the full cost of the training program and textbooks. Please click here to visit the Grady EMS Academy website to complete all pre-admission requirements. **(Please use your Georgia Tech Email address when applying)** Once your application has been completed, please submit this form to registrar@grady-ems.org. Scholarships are limited and applications will be selected based on essay responses and application review.
