

NAANN SHAO

PROFILE

Pleased to meet you, my name is Naann! I am a motivated, diligent, and effective second-year biomedical engineering major. I am passionate about microbiology and treatment of chronic diseases and, when I have free time, I love to crochet for charity and for my small business.

RELEVANT EXPERIENCE

Hemphill Hall Council

Events Director • 2024 - Present

- Primary coordinator of weekly post-meeting events, budgeting and supplies per event, communications coordination per event, and planning and directing large-scale and/or specialty events
- Creation of spreadsheet and document organization methods per event, furthering collaboration and logging communication with external organizations
- Primary coordinator of campus-wide event Health and Wellness festival in November of 2024 in Burger Bowl on West Campus
 - Almost 200 participants attended and filled out the attendance form
 - 7 campus organizations attended and actively contributed to the event's festivities, including Parents with Pups, Chick-Fil-A (in the Student Center), the CRC, GT Wellness Empowerment, Center for Mental Health Care and Resources, and the LGBTQIA+ Center
 - Collaboration with a team of almost a dozen Hall Council members and non-Hall Council-affiliated volunteers
- Physical preparation and purchasing for events, including finding and purchasing supplies, visiting and meeting with various organizations and offices, and set-up and supply preparation/testing to ensure event success

Madhatter Knits

Events Director • 2024 - Present

- Manage and plan monthly events, holding 2-3 events per month to knit hats and other assorted items for babies and families in NICU, promote women's health and maternal health information and research, and fund charities for mothers in Atlanta
- Primary management of Events Committee, in which we further coordinate and brainstorm for upcoming events

Georgia Tech Campus Recreation Center

Lifeguard and Swim Instructor • 2024

- Taught children (K-grade 8) how to swim and maintained poolside safety
- Aided in setup and cleanup for CRC event, attended employee training, and maintained office professionalism

Georgia Tech FASET Leader

FASET Leader • 2024

- Facilitated tours, welcome events, and information sessions for incoming students over the summer of 2024
- Worked with almost 20 sessions of students in small groups, registration, and general guidance, with some students still in contact to ask me for advice at the present

NOTABLE AWARDS

- Georgia Tech Horizons Hackathon 1st place Physical category (2024)
- Georgia Tech MedHacks 3rd place (2024)
- National Merit Scholarship Program Finalist (2023)

EDUCATION

Georgia Institute of Technology • 2023 - Present

Biomedical engineering major, with a double minor in Health and Medical Sciences and Health, Medicine and Society

Jericho Senior High School • 2019 - 2023
