EDUCATION

GEORGIA INSTITUTE OF TECHNOLOGY, Scheller College of Business
Bachelor of Science in Business Administration

Atlanta, Georgia
May 2028

Concentration: Strategy and Innovation
Scholarships: Zell Miller Scholarship

EXPERIENCE

Samaritan's Purse
Relief Volunteer

Tampa, Florida
November 2023

Charity and disaster relief; primarily volunteer organization.

- Helped more than 200 people with hurricane relief primarily by cleaning debris, painting walls, and fixing roofs
- Helped serve food for other volunteers as well as clean the building that volunteers were using as an HQ
- Developed intrapersonal skills and physical skills through hands-on work as well as interactions with the affected and other volunteers

Bicycle Ride Across Georgia
Mobile Rest Stop Management Staff

Georgia
May/June 2023

- Operated a "food truck" style rest stop to serve over 1000 bikers daily across more than 5 cities by preparing and serving food and drinks, managing air pumps, giving aid to bikers with health problems, as well as giving out info about the route
- Fostered managerial skills, as well as communication skills by having to multitask and have awareness of what needed help most while also having to converse with over 250 bikers per hour

The Interview Movie Production Company
Production Assistant

Atlanta, Georgia
August 2023

- Facilitated general aspects of the production of the film, "The Interview," by keeping cast and crew hydrated, keeping the are around the set undisturbed, and assisting with food preparation
- Filmed behind the scenes and created lighting lattices used in the film
- Enhanced several connections with cast and crew members by working hand-in-hand to complete the filming, and improved general movie production skills by learning new lighting, filming, and even directing techniques

The Thrift Store
Retail Assistant

Monticello, Georgia
August 2021 – December 2022

- Prepared a thrift store for its grand opening by performing tasks such as painting walls and floors, evaluating merchandise, cleaning (sweeping and removing debris), and arranging furniture
- Strengthened teamwork, organization, and problem-solving skills through coordination with other team members and identifying issues in the workspace
