A Resource Guide for Student  
Leaders at Georgia Tech

# A Message from the Cultural & Diversity Affairs Committee

---

April 18, 2020

Dear Student Leader,

Due to the unfortunate events surrounding COVID-19, our committee, the Cultural and Diversity Affairs Committee (CDAC), was not able to host the annual Inclusive Leadership Conference. In lieu of the conference, we have created a resource guide detailing inclusive leadership resources for students on campus including resources provided by campus departments, student organizations, and the Student Government Association (SGA). We hope these resources will be helpful to you.

If you have any questions or suggestions regarding this resource guide, please feel free to contact our committee.

Best wishes for the year ahead!

Sincerely,

Kyle Smith & Heramb Tamhankar, CDAC Co-Chairs
