## Meet Vandya Goel

**Class of 2025**  
**Major:** Health Science  
**Minor:** Spanish

Post graduation, I'll be working at Fenway Health as a bilingual outreach specialist! There, I will be working in the outreach team by going into different neighborhoods in Boston and conducting street outreach. Specifically, I'll be working with Spanish-speaking patients to provide mobile STD testing services and distribute opioid overdose prevention and harm reduction supplies. I will also be connecting them to different healthcare services and provide language inclusive resources to unhoused patients so that they have access to case managers, primary care doctors and more. I am super excited to be able to combine my Spanish speaking skills with public health to help alleviate a lot of the unequal health outcomes within Boston's opioid crisis.

## ¡Felicidades a quienes se gradúan!
