Message from the Chair

Spring is here...well, almost!

As we bid a fond farewell to winter quarter. Thank you for helping make our winter food drive a huge success. We collected food and monetary donations for the non-profit organization Blessings in a Backpack, which is the 2016 beneficiary for Northwestern University Dance Marathon. We also partnered with several churches in the Evanston and Chicago communities. With our combined efforts we were able to provide food for all 260 children at St. Malachy School in Chicago. This food helped sustain the children for their entire spring break.

I would also like to thank everyone who attended our 3rd Annual Men's Basketball staff mixer on February 27th. It was exciting to see the school spirit from the 225 staff members cheering on our Wildcats! Details will be available soon for the upcoming spring quarter staff outing.

Spring is always a busy season for NUSAC. We just wrapped up our application period to recruit new members for next year. We received 21 applications. This is an all-time record for NUSAC. In May, we will be interviewing candidates for open positions on the Council. I am so excited to see such a huge number of staff commit to continuing to making Northwestern a great place to work, learn and grow.

On April 21st & April 26th NUSAC will host Conversations with the President. President Morton Schapiro will report on the state of the University. In addition, the President will be joined by his senior leadership team in a moderated Question and Answer (Q&A) panel on noteworthy issues, such as diversity and inclusion initiatives and campus development projects. Questions or comments may be emailed to nusac@northwestern.edu in advance or during the live events.

Spring also brings the annual Staff Service Recognition Luncheon. During winter, staff members across all campuses nominate colleagues who have gone above and beyond the call of duty. From that pool, the Employee of the Year will be named on May 10th. We will also honor staff members who have been with the University for 20, 30, 40, and even 50 years!

I continue to encourage you to visit the NUSAC website or to contact us at nusac@northwestern.edu to learn more about how we can support you. Have a wonderful spring quarter.

Sincerely,

Tracey Gibson-Jackson
NUSAC Chair

NU Cares Awareness Campaign Results and Increased Award Amount

The NUSAC Benefits Committee is pleased to announce that this year’s NU Cares awareness campaign was a great success. The fund received over $1000 in one-time contributions, plus enough in new monthly contributions to generate almost $5000 per year! Thanks to this increase in available funding, we have been able to raise the award amount from $500 to $750, allowing us to provide greater support for colleagues in need.

Thank you to all of the generous faculty and staff who have (and continue to) contribute to the NU Cares fund. Although this year’s official campaign has ended, you can contribute at any time by following the instructions on our website.

If you could benefit from the assistance this program provides, please submit an application.

Blessings-In-A-Backpack Recap

This spring, we had another amazing show of generosity by Northwestern staff for “Blessings in a Backpack”. This was the second year we have participated on behalf of St. Malachy’s school to gather food in backpacks to send home with children during spring break. It’s difficult for most of us to imagine that if we didn’t go to school, we wouldn’t have enough food, but that’s a reality for many Chicago-area children. During the drive, which ran from mid-February to mid-March, we received so many donations that we needed to rent a van to get all of those laden backpacks to their destination — a decidedly a good "problem" to have!

NUSAC would like to thank all of those who showed true Northwestern spirit with their generous contributions, as well as the countless people who aided us in transporting items from the collection sites to the van and getting everything loaded. It was a great workout!

Thank you again for your help and generosity!

Service Excellence Luncheons are held quarterly throughout the year to recognize award recipients. The next Service Excellence Luncheon will be held Tuesday, April 12, 2016.
