

LICENSING AND PUBLICATION AGREEMENT

This is a licensing and publication agreement (“Agreement”) regarding a written manuscript currently entitled _____

_____ (“Work”) to be published in the *Dickinson Law Review* (“DLR”). The Parties to this agreement are: The Pennsylvania State University (“University”), on behalf of *DLR*, and _____ (the corresponding author on behalf of any other authors of this Work, collectively “you”).

1. By signing this form, the corresponding author warrants that they are signing on behalf of all authors of the Work, and that they have the authority to act as all authors’ agent for the purpose of entering into this agreement.
2. You hereby grant *DLR* the right of first publication of the Work, and after *DLR* publishes the Work, you grant a Creative Commons copyright license in the Work to the general public, in particular a Creative Commons Attribution-NonCommercial 4.0 International License, which is incorporated herein by reference and is further specified at <https://creativecommons.org/licenses/by-nc/4.0/legalcode> [<https://perma.cc/LZ9D-5RKY>] (human readable summary at <https://creativecommons.org/licenses/by-nc/4.0/> [<https://perma.cc/XN9U-TY9R>]).
3. You agree to require that a citation to the original publication of the Work in *DLR* be included in any attribution statement satisfying the attribution requirement in Section 3(a)(1)(A)(i) of the Creative Commons copyright license of paragraph 2 of this Agreement.
4. You retain the right to post the Work on your webpage or any open access online repository (including, but not necessarily limited to, the Social Science Research Network) prior to the Work’s first publication by *DLR*.
5. You grant *DLR* editors the right to edit or revise the Work prior to publication by *DLR*, but the Work shall not be published by *DLR* unless it is acceptable in its final form to both you and *DLR*. To the extent that any modifications made by *DLR* to make the Work suitable for publication amount to copyrightable works of authorship, *DLR* hereby assigns all right, title, and interest in such modifications to you. *DLR* agrees to verify with you any such edits that are substantive. You agree that the license in paragraph 2 of this Agreement covers such edits.
6. You retain ownership of all rights under copyright in all versions of the Work, and all rights not expressly granted in this agreement.
7. You hereby authorize *DLR* to publish, reproduce, adapt, display, and distribute the Work in LexisNexis, Westlaw, Hein Online, and other aggregated online collections; and to authorize any third party, print-on-demand services to reproduce and distribute the Work for commercial purposes.
8. You agree that *DLR* shall not pay you any part of any royalties it receives from any aggregator or print-on-demand service. You shall not claim any royalty or other compensation from any aggregator or print-on-demand service that *DLR* authorizes to publish, reproduce, adapt, display, or distribute the Work pursuant to this Agreement.

9. You further warrant:

- a. The Work is your original work and contains no plagiarism;
- b. If the Work contains any material for which you do not hold copyright and for which you have not obtained rights to distribute or make available, use of that material is fair use;
- c. You have the right to license the Work, under the terms described above, to *DLR*;
- d. You have not made, nor will make, any agreement that would conflict with this Agreement;
- e. The Work has not been previously published in whole or in part in any law journal, and will not be published, in whole or in part, in any manner that would violate this Agreement.
- f. The Work does not defame any individual or entity, or infringe upon any individual's or entity's intellectual property, property rights, or rights of privacy or publicity.

10. If a claim is asserted against *DLR* as a result of your alleged breach of this Agreement or the warranties herein, you shall be promptly notified. You shall have the opportunity to participate in *DLR*'s response to and defenses against such claim, and *DLR* shall not settle such claim without your prior written approval, which shall not be unreasonably withheld. If a settlement requires *DLR* to make a money payment, or a money judgment is rendered against *DLR* or the University, you shall reimburse *DLR* or the University for the amount of such payment or judgment, and shall pay the cost and expenses reasonably incurred by the University and *DLR* in defending against the claim.

11. This is the entire agreement between the parties, and it may be modified only in writing. This Agreement will terminate if *DLR* does not publish, in any medium, the Work within 18 months of the date of your signature below.
