

# MATERIALS INNOVATION DAY

**July 17, 2023** From 9:00 am to 4:00 pm

Learn about how material technologies help unlocking the mysteries of the Universe by studying “dark matter”. The piezoelectric crystals we are developing can listen the tiniest vibration excited by “dark matter” and understand their properties.

## Free One-Day Summer Camp

- Tour labs at Penn State
- Research demonstrations  
Attend research seminars
- Lunch with Penn State researchers

## Sign Up Today!!!!

Have your parents visit our website and complete the online registration form!  
Deadline July 5, 2023!
