

BUILD A CHAIR

FOR MX. BEAR

How can you design a comfortable chair for your favorite stuffed animal?

YOUR GOAL

Build a chair that your favorite stuffed animal can sit in.

NEED HELP WITH CHAIR LEGS?

Get some help from the "Chair legs" instructions of the Constructopedia.

CONSIDER...

Diffe

How tall?

Diffe

Arm rests?

Diffe

How much weight should it support?

Diffe

How wide?

HERE ARE SOME

EXAMPLES !!

Folded cardboard

4 paper tube chair legs

Cut and folded
cardboard glued
together

Popcicle stick supports
