

# Transport and Parking at Tufts

## Transportation Resources

**Tufts Shuttle Service:** Tufts provides a multiple-campus shuttle that provides transportation for students during the academic year. Information can be found here:  
<https://sustainability.tufts.edu/resources/transportation/campus-shuttles/>

**Lyft Program:** Students with disabilities may submit a disability request to provide access in navigating campus for academic purposes. The StAAR Center will work with students to determine the frequency and location of need as it relates to the students' disability. Students may submit a request by contacting StAAR.

**SafeRide Services:** Tufts Police Department offers a safety service offered for students' personal safety. More information found here:  
<https://publicsafety.tufts.edu/police/safe-ride-2/>

**Massachusetts Bay Transportation Authority (MBTA):** The MBTA offers a variety of public transportation support which can be found here: <https://www.mbta.com/>. The MBTA also provides "The Ride", a service offering a special lift-equipped van to anyone unable to use general public transportation. Requests for services can be made to MBTA's Office for Special Needs at 617-222-5123.
