Relaxing requirements to receive $100 stipend

- I would like to keep the amount the same but leave distribution requirements to the judgement of the eboard.

Change bylaw 4.2
GSC Programming Coordinator transition from Alexandra Race to Ishani Chakraborty
Ishani has stepped down from Programming Chair and Governing Board member.
- Article 3.1 stipulates that the position defaults to VP.

Vote on change to bylaw 2.2 (vote passes)
- Voting members must be present (physically or virtually) in order to cast a vote. All votes must be synchronously cast. No absentee or proxy votes are allowed (meaning, members cannot cast a vote on behalf of a voting member that is not present in the meeting).
  - Present = being able to cast a vote synchronously.

Vote on adding bylaw 2.2.1 (vote passes)
- In the event that the governing board needs to vote on a matter outside of governing board meetings, an executive officer may make a motion via email to the governing board. After the motion is seconded via email, voting members have 2 full business days to reply by email to the Chair (only the Chair) to cast their votes. If a majority vote is reached before 2 full business days, the Chair may close the vote early. At the close of the voting period, the Chair will announce to the board that voting has closed and whether the motion passed or failed on the stipulation that at least 5 votes have been cast. If after 2 days, there are not at least 5 votes, then the vote is tabled.
