ZOO-BOT PROGRAM
SPRING 2024
16 - 17 CREDITS OVER 10 WEEKS

Spend spring quarter living and studying at UW’s marine field station in the beautiful San Juan Islands. Studying at FHL means access to diverse ecosystems, world-class technology, and a global network of scientists and researchers.

DESIGN YOUR OWN RESEARCH PROJECT
Students design and implement their own research projects over the course of the quarter using the methods they learn in class. We learn by doing at FHL -- be prepared to get your hands dirty!
