King County
Senior Bridge Engineer

King County Road Services Division has an excellent opportunity for you to be part of local government! We are looking for an enthusiastic Senior Bridge Engineer (Engineer III). This position is a senior level structural engineering position to lead staff and design complex road and bridge structures. This is an exciting opportunity to work with the Road Services team and make a difference in our community!

Job Duties

To be considered for this opportunity, you must at a minimum, demonstrate knowledge, skill and ability to:

- Perform complex structural designs and prepare plan details, estimates, and specifications for bridges, walls, culverts and other roadway related structures.
- Perform structural analyses and studies and prepare written reports or technical memos with findings and recommendations.
- Function as a technical expert to guide design consultants and in-house engineers, provide advice to supervisor and upper managers
- Function as a Project Manager or Lead Engineer on tasks or project assignments from inception through construction.
Experience, Qualifications, Knowledge, Skills

- Bachelor of Science Degree in Civil Engineering (BSCE) or closely related field in structural design, bridge engineering, or equivalent training and experience.
- Demonstrated experience in developing bridge designs and preparation of structural design plans, specifications and cost estimates.
- Demonstrated experience using structural design software (e.g., CSiBridge, STAAD Pro, PG Super, PG Splice, BRASS, etc.).
- Demonstrated experience applying seismic design and analysis, including computer modeling, dynamic analysis for seismic loads, mitigation of vibrations for bridge structures, push-over analyses, etc.
- Demonstrated knowledge of pre-stressed and post-tensioned concrete design and construction methods and applications.
- Demonstrated ability to analyze and design innovative solutions involving new and replacement bridge structures to increase efficiency in both material costs and time required for construction.
- Demonstrated ability to prepare written technical reports or memos based on the findings from project conceptual studies, structural analyses and condition inspections, etc.
- Demonstrated ability to work independently and lead staff.
- Ability to effectively interact, write and communicate technical, policy and political issues clearly with management, staff, consultants, citizens (diverse individuals and groups).
- Demonstrated predictable and reliable attendance.

Necessary Requirements:

- A Valid Washington State Driver's License
- Licensed Washington Professional Civil Engineer (PE).

TEMPORARY TELECOMMUTING REQUIREMENT
The work associated with this position will be performed through a combination of teleworking complemented with onsite work and meetings as needed. Employees will have access to shared workspaces at various King County facilities. Employees must reside in Washington state and within a reasonable distance to their King County worksite to respond to workplace reporting requirements. The individual in this position will be meeting with community members and organizations and will be expected to engage in face-to-face interactions throughout unincorporated King County.

Employees will be provided with a County issued laptop and must maintain a workspace with an internet connection (access may be supplemented in some situations) where they can reliably perform work and remain available and responsive during scheduled work hours. Please note that when employees conduct their work that is likely to bring them in contact with another individual, safety precautions may be required, including the wearing of masks in some situations. King County remains committed to reducing our carbon footprint.

King County has a robust collection of tools and resources to support working remotely. The individual selected for this opportunity will be joining an innovative and progressive team that is redefining how we work in the department's hybrid environment.

ABOUT THE DEPARTMENT
King County is the local service provider for the roughly quarter-million people who live in the unincorporated areas of the county; taken together, Unincorporated King County would be the second-largest city in the state. The Department of Local Services includes a Director's Office with a Community Service Area group, and the Road Services and Permitting Divisions. Together, this department provides a single executive point of accountability for delivery of local services to all citizen of unincorporated King County.

The King County Road Services Division designs, builds, operates and maintains roads and bridges in unincorporated areas of King County in an efficient and environmentally responsible manner to protect the public's investment and facilitate safe travel. The division is committed to ensuring the county's transportation system is safe and efficient for all uses and modes of travel. The Division is responsible for 1,500 miles of road and 185 bridges, 5.7 million feet of drainage ditches, over 44,000 traffic control signs, 78 traffic signals, and 50 traffic cameras in unincorporated King County.

ABOUT KING COUNTY
Forbes recently named King County as one of Washington State's best employers. Together, with leadership and our employees, we're changing the way government delivers service and winning national recognition as a model of excellence. Are you ready to make a difference? Come join the team dedicated to serving one of the nation's best places to live, work and play. Guided by our "True North", we are making King County a welcoming community where every person can thrive. We value diversity, inclusion and belonging in our workplace and workforce. To reach this goal we are committed to workforce equity. Equitable recruiting, support, and retention is how we will obtain the highest quality workforce in our region; a workforce that shares and will help advance our guiding principles--we are one team; we solve problems; we focus on the customer; we drive for results; we are racially just; we respect all people; we lead the way; and we are responsible stewards. We encourage people of all backgrounds and identities to apply, including Native American and people of color, immigrants, refugees, women, LGBTQ+, people living with disabilities, and veterans.

COMMITMENT TO EQUITY AND SOCIAL JUSTICE
King County is an Equal Employment Opportunity (EEO) Employer. No person is unlawfully excluded from employment opportunities based on race, color, religion, national origin, sex (including gender identity, sexual orientation and pregnancy), age, genetic information, disability, veteran status, or other protected class. Our EEO policy applies to all employment actions, including but not limited to recruitment, hiring, selection for training, promotion, transfer, demotion, layoff, termination, rates of pay or other forms of compensation.
