Think about teaching a controversial issue in a class at Harvard. How comfortable or reluctant would you feel leading discussion on this topic?

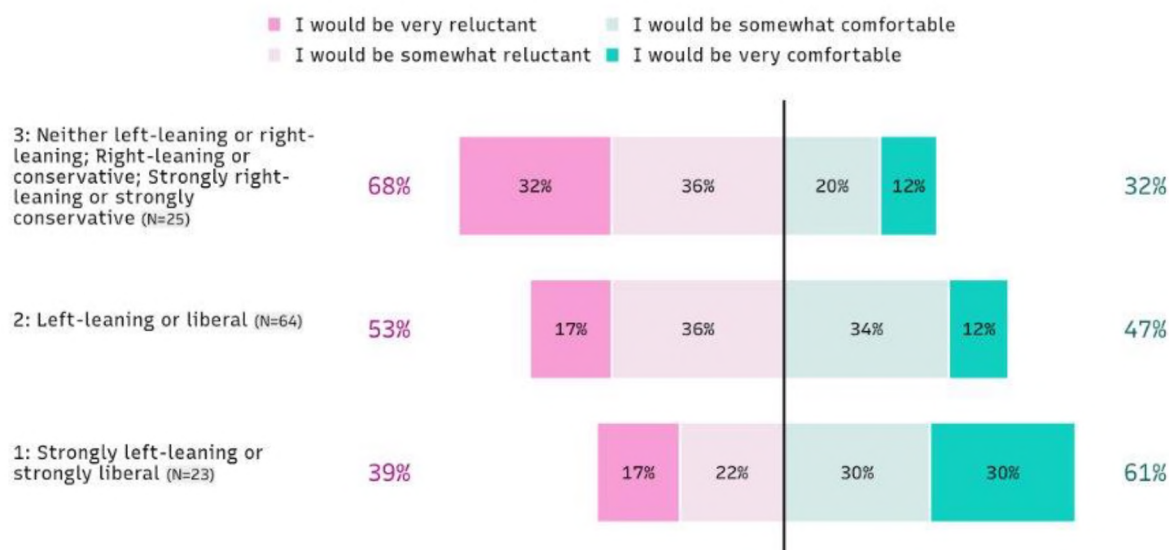

Neither left-leaning or right-leaning, Right-leaning or conservative and Strongly right-leaning or strongly conservative have been combined due to small Ns.

Think about researching a controversial subject area. How comfortable or reluctant would you feel pursuing this topic?

Think about discussing a controversial issue in the Harvard Community OUTSIDE the classroom, such as with colleagues in the workplace or at an event or location open to students, faculty, and staff. How comfortable or reluctant would you feel speaking up and giving your views on this topic?
