Cases with infractions that violate more than one Handbook policy are recorded with multiple votes. This allows the Board to more accurately capture the nuances of a specific infraction. The totals in blue reflect the number of cases decided by the Board while the subheadings reflect the number of violations.

* Between the 2021-2022 and 2022-2023 academic years, the Administrative Board stopped reporting House Warnings and introduced the practice of Dean's Warnings. Dean's Warnings are reported, but not voted, to the Administrative Board and are not a formal disciplinary action.
