

Qualifying life event policy: Students and Student Dependents

Policy Title: Qualifying Life Event Policy

Issuer: Harvard University Student Health Program

Policy Year: AY2024-2025

Revised Date: N/A

Students and their eligible dependents may opt into the medical and/or dental plan outside of the open enrollment periods if they have experienced a recent, qualifying life event. This policy outlines the necessary actions that are required to ensure enrollment and the events that allow a person to be enrolled outside of an open enrollment period. Dependents are eligible to enroll only when the student is enrolled in the plan.

I am a:	I want to enroll in:	I must do the following to enroll:	I must have experienced one of the following to qualify for enrollment outside of the open enrollment period:
