Technology Test Kitchen

CRTLE OIT

RECIPE CARD #5

DIFFERENTIATION

Sous Chef

One Outcome. Three Pathways. All Students Succeed.

GOAL

Adapt one activity for multiple learner needs while maintaining the same learning outcome.

INGREDIENTS

- One assignment, discussion, or learning activity
- Teach → Differentiate Instructions

Chef's Prompt

Modify this activity for three learner groups:

- Students needing additional support
- Typical learners
- Advanced learners

Maintain the same learning outcome while adjusting scaffolding, independence, and challenge.

METHOD

1. Paste your activity into **Differentiate Instructions.**
2. **Generate versions for:**
   - Students needing additional support
   - Typical learners
   - Advanced learners
3. **Review and refine the results.**

QUALITY CHECK

- ☑ Same learning outcome for all students
- ☑ Appropriate support provided
- ☑ Advanced learners receive meaningful challenge

QUALITY APPROVED

TAKEAWAY

A more inclusive, flexible learning experience with multiple pathways to success.

TIME: 5–10 MINUTES

LEAVE WITH: A differentiated activity ready for your course.
