

## 2016 AATI National Italian Exam Results

April 21, 2016

Dear Colleagues:

Thank you for participating in the 2016 AATI National Italian Exam. Students across the board performed extremely well on this year's exam--a clear indication of the great work you are doing teaching Italian.

Attached to this e-mail are the results for the 2016 National Italian Examination. Please read the following information to assist you in accurately interpreting the results. This year 5,219 students participated in the contest.

**Level I - 1,431    Level II - 1,392    Level III - 1,221    Level IV - 970  
Level V - 205**

### **RAW SCORES**

Raw scores (white columns) report the number of points the student received as a result of answering questions correctly. Raw scores are NOT percentages. For each student record there is a total number of 60 points possible.

### **PERCENTILES**

Raw scores have been converted into PERCENTILES (gray columns). Each percentile indicates the percent of scores in the same sampling that are equal to or below it. For example, a percentile of 50 means that 50% of all other vocabulary scores fall below that score. A percentile of 50 represents the national average. Percentiles higher than 50 are above average and those lower than 50 are below average. Likewise, a percentile of 79 indicates that the student did better than 79% of all other students for the exam.

On behalf of this association and the members of the AATI National Contest Examination Committee, we extend our warmest congratulations to all the students who distinguished themselves, to those who received National Honorable Mention, to all participants, to you, and to the Italian faculty of your school.

The winners were selected from five levels of Italian in three categories: Level I (*Categories A & B*); Level II (*Categories A & B*); Level III (*Categories A, B, & C*); Level IV (*Categories A, B, & C*); Level V (*Categories A, B, & C*).

**AS STATED ON THE ORDER FORM:** Category B and C students have more experience in the language than Category A students and are expected to do better on the exam. For this reason, AATI will award prizes to students in Category B if their results are higher than those of students in Category A, and to students in Category C if their results are higher than those of students in Category B.

**Students' whose scores are 40 and above in all levels and categories will receive certificates for National Honorable Mention.**

**Please note that all students' certificates and monetary awards will be mailed to you to your school address.** It is your responsibility to inform your students, and your principal of the top five winners in each category and students who received National Honorable Mention.

In addition, Professor Lucrezia Lindia, president of the **Società Onoraria Italica**, has contributed \$1,200 to this contest. Her committee will select twenty-four (24) students from the Honorable Mention List in each level and they will receive \$50 dollars each from Professor Lucrezia Lindia. The twenty-four recipients will be selected using a lottery system.

**In order to receive scholarships from the Società Onoraria Italica, schools must be members of it. Please contact Professor Lucrezia Lindia for more information. Her email address is: [lgindia@hotmail.com](mailto:lgindia@hotmail.com)**

In closing, we would like to thank Prof. Lucrezia Lindia for her generosity, support, and commitment to the Italian language and culture.

A special thank you is sent to the Examination Committee for their endless hours of work and dedication to this invaluable task. The committee members are:

Patrizia G. Dewey – Salve Regina, RI

We would also like to thank you for your participation and we hope that you will continue to promote the study of the Italian language and culture. Sincerely,
