

## CALL FOR PRESENTATIONS

This year, the Arkansas Water Resources Conference is soliciting oral and poster presentations for this year's conference, July 16-18, 2024.

The conference organizers will consider a variety of topics including but not limited to:

- Water quality and quantity myths
- Lakes, Streams, and other Limnological Studies
- State and Regional Water Quality Monitoring Programs
- Groundwater Science and Management
- Nonpoint Source Pollution Management
- Watershed Science and Management
- Water Quality and Hydrology Modeling
- Stormwater Management and Education
- Water Treatment Processes
- Emerging Contaminants
- Wetland Science, Habitat, and Management
- Fisheries Science and Management
- Stakeholder Involvement and Conservation
- Stream and Riparian Restoration
- Best Management Practices
- Forests and Water

Please consider submitting abstracts for oral and/or poster presentations of your exciting work!

Presentation proposals must be submitted by April 12, 2024, and the proposals should be emailed to **Brian Haggard**, [haggard@uark.edu](mailto:haggard@uark.edu). The presentation proposal should be submitted in PDF format, and it must include the following:

**Presentation Title** (less than 15 words, use action words, correct grammar, and key topic words)

**Presenter Contact Information** (name, title, organization, and email address)

**Topic** (from above, if applicable)

**Presentation Type** ("oral only," "poster only," or "oral or poster presentation")

**Abstract** (limited to 300 words)

The presentation proposal must be no more than one page PDF, and proposals will be reviewed by the organizing committee in order of submission date. Presenters will be notified via email by April 26, 2024, of acceptance and the anticipated date of the proposed presentation.

If you have questions about the topics or submission process, please email Brian Haggard.
