A Funding Bill to Purchase Additional Scantrons for Student Use

Whereas, the Associated Student Government has previously supplied students with Scantrons at no cost from the ASG Office, and

Whereas, The supply of Scantrons the ASG Senate allocated with $571.98 amount last semester are now in low stock or completely out, and

Whereas, Scantrons may only be purchased at Club Red or from select vending machines across campus, and

Whereas, the vending machines are not consistently stocked and frequently out of order, thus an unreliable source for students to purchase Scantrons.

Be it further resolved: Further legislation may be brought to the floor to fund additional Scantron purchases as necessary.

Be it further resolved: All excess funds will be reallocated back to the Senate Allocations Budget (LS-Prog).
Be it further and finally resolved: A copy of this legislation be sent to Melissa Boston, Supplies Supervisor at the University of Arkansas Bookstore Barnes & Noble College.
