Associated Student Government
*University of Arkansas*

**ASG Senate Bill No. 3**
Author(s): Senator Grace Wood, Director of Academics Hailey Hoog
Sponsor(s): Senator Mary Eichenberger

**A Funding Bill to Purchase Scantrons for Student Use**

Whereas, Scantrons are a necessary school supply for many students, especially with the increase of in-person classes, and

Whereas, in previous years, students could purchase Scantrons at all Club Red locations and the University Bookstore, and

Whereas, at the start of fall 2021, all Scantrons were moved out of Club Red locations and may only be purchased at the University Bookstore or from select vending machines across campus, and

Whereas, the vending machines are not consistently stocked and frequently out of order, thus an unreliable source for students to purchase Scantrons, and

Whereas, the changes in Scantron purchasing locations have eliminated almost all central and convenient locations for students, and

Whereas, the Associated Student Government has previously supplied students with Scantrons at no cost from the ASG Office, and

Whereas, there has been an increase in demand for Scantrons from the ASG Office and a depletion of available Scantrons.

Be it therefore resolved: The Associated Student Government Senate allocate $403.86 from the Senate Legislative Allocations Budget (LS-Prog) for the purchase of 500 Green 882-E Scantrons, 500 Datalink Scantrons, and 100 Blue Books to be kept in the ASG Office and made available for student use.
Be it further resolved: Further legislation may be brought to the floor to fund additional Scantron purchases as necessary.

Be it further resolved: All excess funds will be reallocated back to the Senate Allocations Budget (LS-Prog).

Be it further and finally resolved: A copy of this legislation be sent to Muhammad Legari, General Manager of the University of Arkansas Bookstore Barnes & Noble College.
