All candidates must submit this form, an itemized budget and receipts/documentation for all of your expenses. The expenditure report deadline is FRIDAY OCTOBER 20th by NOON CT. Expenditure Report Form Guidelines:

- All boxes with a $ must be filled out with a numerical amount. If you have a box that lists a type of income, expense, or estimated cost that does not apply to the expenditures of your campaign, please write “$0” in the box. If you did not spend any money or receive any donated money or items for your campaign, please list “$0” in every box. Your expenditure report will be considered incomplete if any boxes are left blank, which will result in your disqualification from the election.

- Remember: Total Expenses + Total Estimated Costs = Total Income

- Under Income in “Sponsors/Donations” documentation from sponsors and donors must be provided. Documentation is defined as a note/letter, email, or text from the sponsor or donor expressing that they have given money to your campaign. If no documentation is provided, your expenditure report will be considered incomplete, which will result in your disqualification from the election.

- All items listed in Expenses must have receipts turned in with them. Any report that lists an item in Expenses but does not provide a receipt as proof of purchase for that item will be considered incomplete, and will result in your disqualification from the election. The only exception to this rule is if an item or service is purchased through a transaction that does not generate a receipt. If you purchased an item through a transaction that did not generate a receipt, please provide alternative documentation (such as a note/letter, email, or text from the individual that the item was purchased from).

- All items listed under Estimated Costs must have documentation either from yourself or the individual who donated a service or item to your campaign. Documentation is defined as a
note/letter, email, or text from the sponsor or donor expressing that they have given money to your campaign. If no documentation is provided, your expenditure report will be considered incomplete, which will result in your disqualification from the election.

- An itemized budget must be submitted with your expenditure report. If you did not receive or spend any money, you do not have to submit an itemized budget. If an itemized budget is not submitted, your expenditure report will be considered incomplete, which will result in your disqualification.
