Curious about the digital humanities?

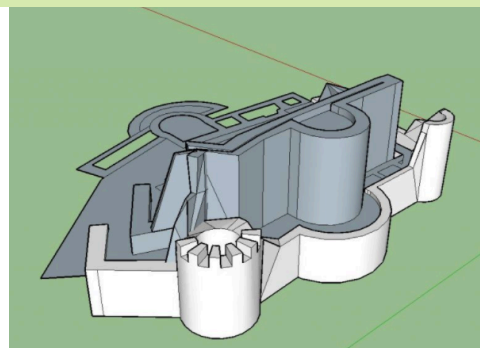

NEW COURSE: SPRING 2017

AHC-AD 141

Spatial Humanities

Time: Tu/Th 1150-105

Place: C3-118

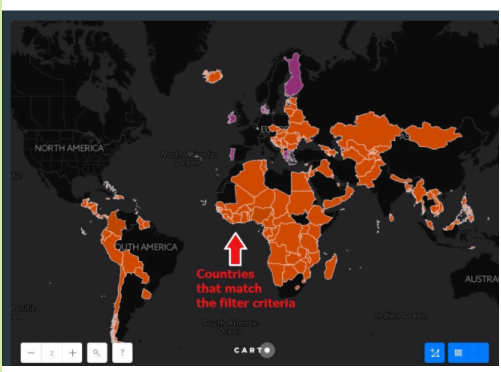

What is a map in 2017, anyway?

Do you want to learn to make map content?

What happens when a map jumps into 3d?

Playing with maps?? Telling stories with maps?? 3d printing Egyptian archeological sites?? Yup.

actual maps and 3d models made by NYUAD students

No technical knowledge required. We will learn how to do everything in class.
