Open House Information Session 2019-20 with Faculty, Directors, and Alumni

Wednesday, Feb. 6, 6:00 p.m.

**Silver Center 307
100 Washington Square East**

Looking for a future path? Love old buildings? Why not make them new again? NYU's London-based M.A. Program provides an immersion in adaptive reuse and sustainable building practice. Come learn about the program at our spring open house, featuring presentations about our faculty and curriculum, along with admissions information for 2019-20, and a discussion of career opportunities in the field. Program directors, faculty, and alumni will be there to discuss the program and answer your questions. Applications for 2019-20 are due March 1. Please contact us with any questions at: histsust@nyu.edu
