IV. INSURANCE REQUIREMENTS

Prospective contractors are required to have General Liability Insurance including coverage for bodily injury and property damage in the minimum amount of \$300,000. The SI must be listed as additional insured for the General Liability insurance.

Proof of insurance or agreement to enroll in the Smithsonian's General Liability insurance policy must be submitted with quotes. Prospective contractors with questions about insurance coverage may contact:

Douglas Wilde, Administrative Officer, SAAM
wilded@si.edu
202-633-8345

V. DUNS NUMBER

A DUNS number is a unique nine digit identification number available for each physical location of your business and is needed to register in the System for Award Management (SAM), formerly the Central Contractor Registration (CCR) system (see Section VI of this RFQ). DUNS numbers are provided through Dun and Bradstreet (D&B) at no charge when you contact D&B via toll free telephone call to 1-866-705-5711, or on the internet at <http://fedgov.dnb.com/webform>. Non-U.S. (international) vendors may also contact D&B via email at help@dnb.com. Indicate that you are requesting a DUNS number to assist with eligibility for U.S. Government contracts. New DUNS numbers for U.S. vendors will be active and available for SAM registration within 1-2 business days of request; international vendors DUNS will be active and available normally within 2-5 days of request.

VI. SYSTEM FOR AWARD MANAGEMENT (SAM) REGISTRATION (FORMERLY CCR)

It is a requirement that current and prospective recipients of contract and purchase orders awarded by the SI must complete registration and maintain an active record in the System for Award Management (SAM). The SAM requires a one-time business registration, with annual updates, and allows vendors to control the accuracy of the business information they enter. The financial data you enter, which includes the electronic funds transfer (EFT) data collected by SAM, will assist the SI in paying your invoices and complying with the Federal Debt Collection Improvement Act of 1996.

You may complete or update your information in SAM online at <http://sam.gov> . Questions regarding the process may be directed to the Federal Service Desk online at www.fsd.gov or via toll free call to 1-888-606-8220. There is no charge for registering in SAM.

If yours is the acceptable price quote and you are selected for award, your organization's valid and active registration with SAM must be verifiable by SI staff administering this procurement prior to contract or purchase order award, and at the time any modifications or amendments to awards might be required.

It is strongly encouraged that prospective contractors enroll in SAM in parallel with responding to this RFQ: while not an evaluation criterion, delays in obtaining proof of an active SAM enrollment from the selected contractor may necessitate SAAM having to adjust this RFQ and solicit new quotes. SAAM staff are not authorized to assist prospective contractors in completing SAM enrollment. Prospective contractors should seek the assistance of regional help bureaus at <http://www.aptac-us.org/contracting-assistance/>

VII. BACKGROUND INVESTIGATION

Contractor employees who require an SI Credential shall be required to undergo and pass an appropriate

background investigation and complete security awareness training before an SI Credential is issued. Employees whose associations with the SI will be less than 30 days shall not receive a background investigation or SI Credential, however, they must be escorted by Credentialed personnel at all times when in staff-only areas of SI facilities. If relevant to this RFQ, a form OCon 520, Background Investigations and Credentials for Contractors' Personnel, is included. The following actions shall be required to be completed by the SI Contracting Officer's Technical Representative (COTR) and successful vendor:

1. The COTR shall provide an OF-306, Declaration for Federal Employment form, for each of the Contractor's employees who will be assigned to the SI for 30 days or longer. 2. For contractors to SI organizations outside the Washington DC and New York City areas, forms SF-87, Fingerprint Cards, shall be provided to the Contractor by the COTR or other designated SI employee. Each form SF-87 must be returned to the COTR, or other designated SI employee, within ten (10) workdays from receipt of the forms by the Contractor.
