

Showing him walk up the stairs

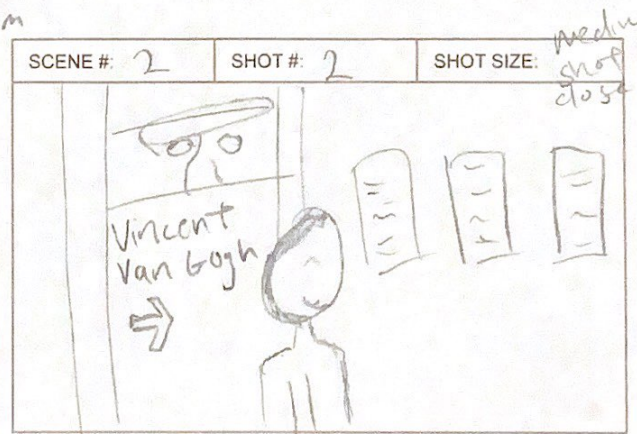

Guy in the middle: Face facing camera
Two other people - Back facing camera

Showing the place

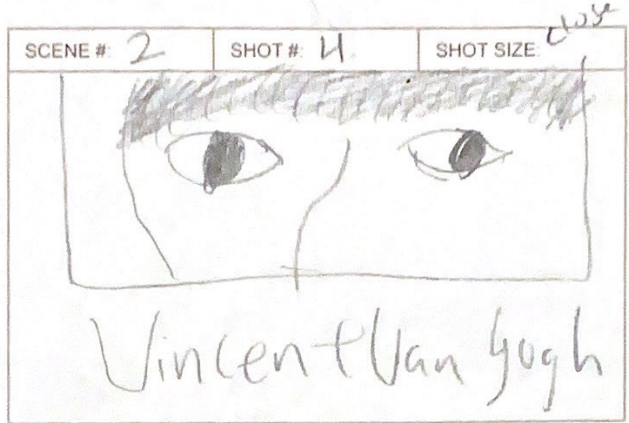

Tracking Shot??
The camera moves with the character

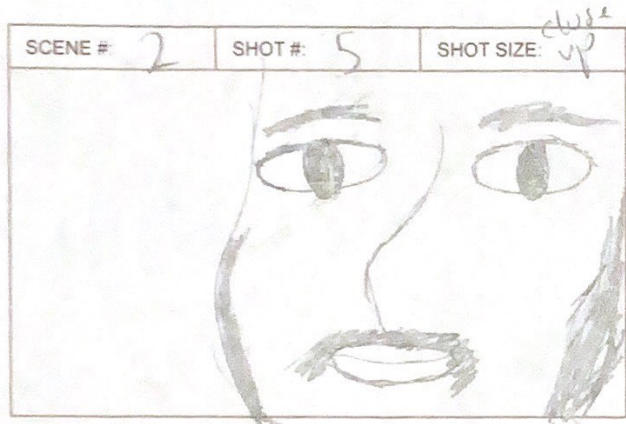

Camera shows the character walking by and then had a close up to the poster

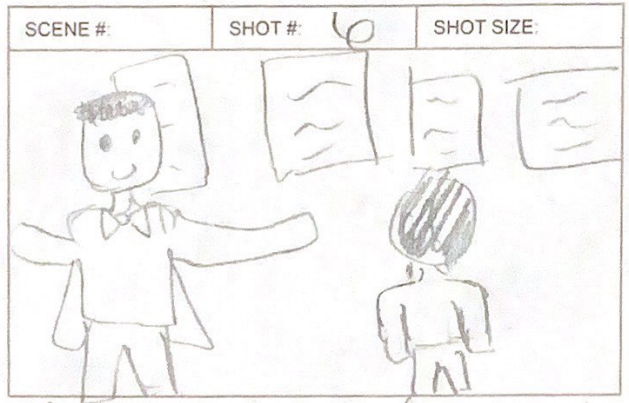

showing them walking into the shot

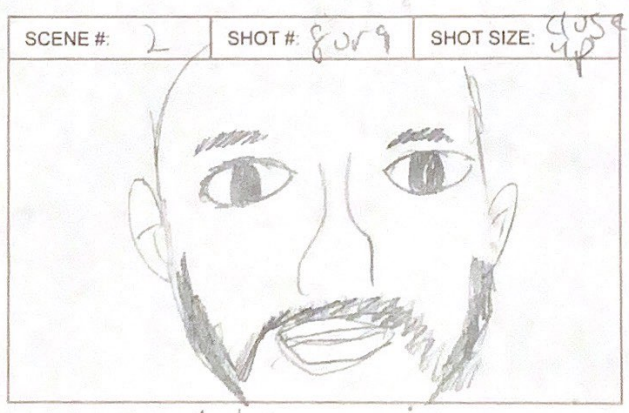

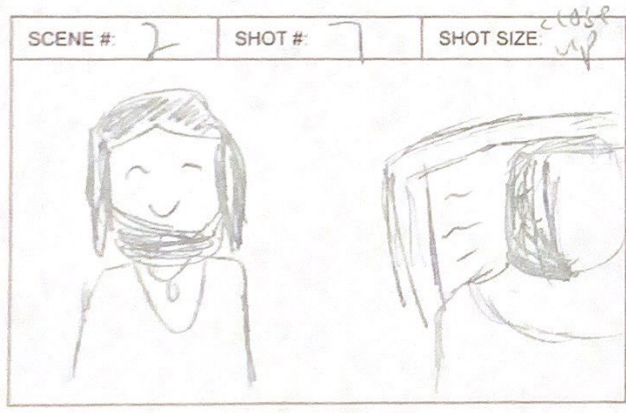

Painting

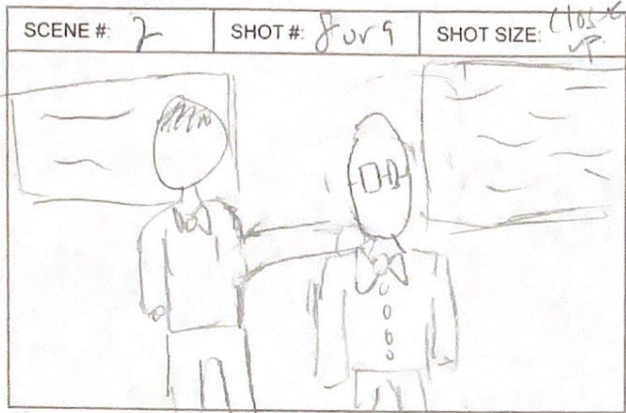

a real person (van gogh himself)

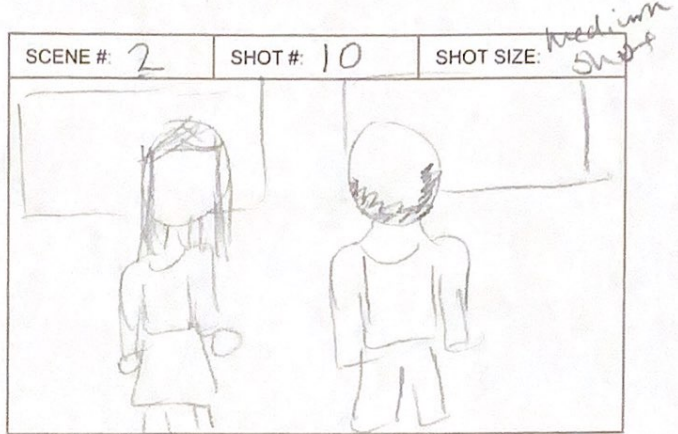

camera rotates around the gallery and then focus on this shot

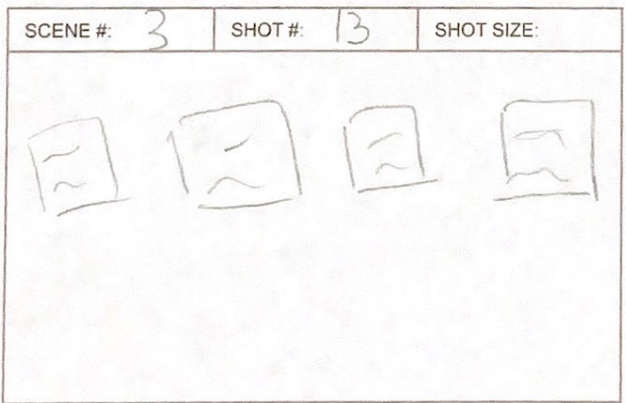

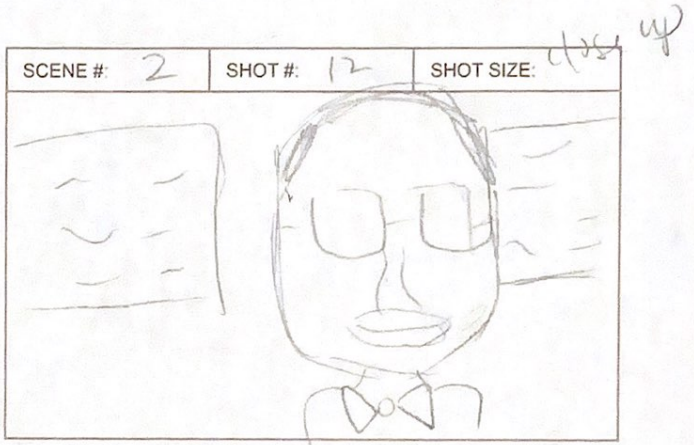

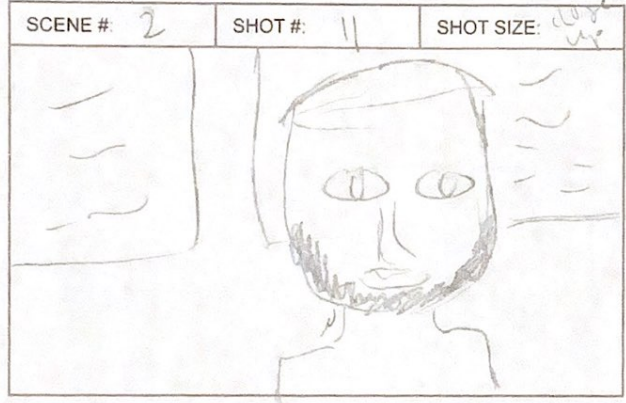

close up of his expression
Camera keeps going back and forth between this scene and the conversation between the two guys

Camera keeps going back and forth between this shot and Van Gogh's expression

Girl turning van gogh's attention to the conversation

Camera rotating around the gallery, capturing every painting by Van Gogh
