

from close to far, zoom over hands

The women stand up from the bench and leave, covering face by hands

follow the movement of body movement

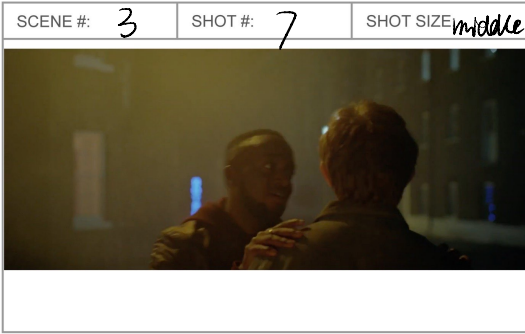

Swing the camera

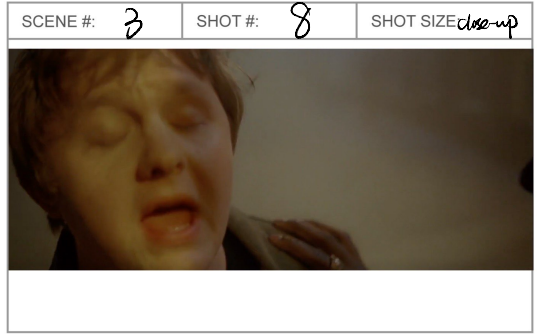

camera stay still for a few sec

The man turn around

both of them are excited, camera switch from one to other's face for a few times

follow the facial expression

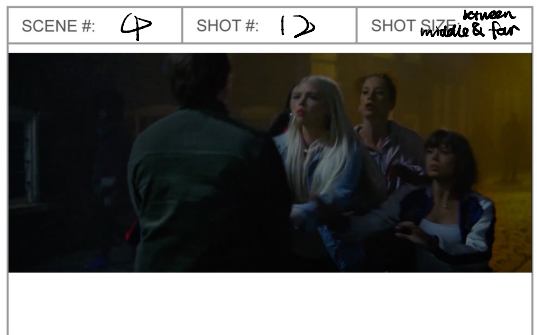

only shoot a hand instead of the whole person of the vice character

camera moves with his walking

camera stay still

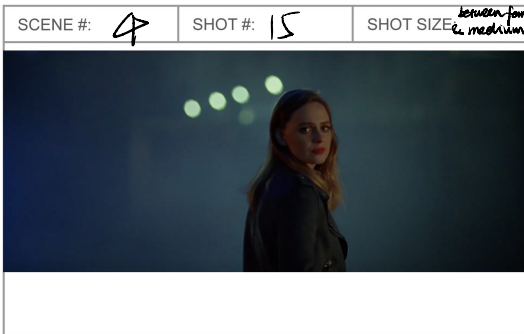

the man turn around and face them  
a contrast between sorrow and happiness

the transformation of facial expression of girls trying to comfort the man

The man becomes more excited and trying to chose after the woman

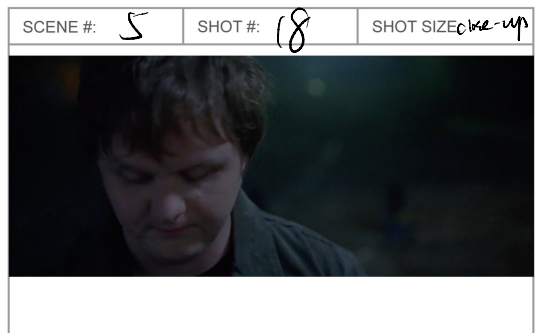

Camera stay still for a few sec

crowd became still listening his sorrow in silence.

Camera turn around with the man, focusing on the desolate street and the woman

The man give up. camera focusing on his facial movement.
