

Texas State University
Over-the-counter Medication Consent
(Student Name)

If your child needs an over-the-counter medication when you are not available, a Texas State Theatre Camp Staff Member will distribute the approved medication on an “as needed” basis following the recommended dosage instructions on the medication packaging. Only medications checked below may be dispensed to your child.

The following medications may be dispensed to my child by a staff member: (Check all medications that you give consent to be given to your child)

Tylenol/Acetaminophen

Advil/Ibuprofen

Pepto Bismol

Robitussin for cough

Cough drops

Throat Lozenges

Benadryl for mild allergic reactions or allergies

Band-aids

Neosporin

If your child requests additional medication not listed above, we will contact you by email or text message to gain your written consent before administering anything to your child.

My child has permission to receive a COVID-19 at-home rapid antigen test if my child reports covid symptoms, is a close contact, or 3 or more students at camp test positive.

I understand that if my child tests positive for Covid, it is recommended that my child be picked up from camp as soon as possible and isolate at home according to the recommendation from a health care provider. I understand that if my child needs to leave camp early for any reason, a refund will not be provided.

I certify that I am the legal guardian of
and understand the terms of this agreement.
