

**PHOTO RELEASE TO USE IMAGES FOR RESEARCH PURPOSES**

For

Cameron T. Whitley, Ph.D. • Associate Professor • Western Washington University • 505 Artzen Hall • 516 High Street, MS 9081 • Bellingham, WA 98225 • whitlec@wwu.edu

**SECTION 1: Please read**

I, \_\_\_\_\_ (print name) hereby give permission to Cameron T. Whitley, Ph.D. at Western Washington University to use photographic images by me in their research experiments, websites describing experiments, presentations, and publications without compensation to me. I understand that the Dr. Whitley will give proper credit in presentations and publications with my name (unless retracted) and a link to my website (if in existence).

Should Western Washington University want to highlight or publish one of my images on their advertising, web pages, social media, video and/or television I understand that I would be asked to sign an additional photo release form that pertains the broader use of the image or images by the University Communications and Marketing team.

This permission is granted for an indefinite time period. I hereby acknowledge that I have read and understand the terms of this release.

All images requested and submitted may be used as part of research pertaining to the National Science Foundation Early CAREER grant: The Application of Strategic Anthropomorphism to Activate Empathy and Advance Conservation (Award # 2240023).
